RILEM WEEK 2023 AUTHORIZATION TO PUBLISH

By checking the consent box, the author is giving authorization to the conference organizers to publish the paper submitted, in the proceedings of the 1st Interdisciplinary Symposium on Smart & Sustainable Infrastructures (ISSSI 2023).

The author guarantees their work is original, and that any necessary permission to quote from another sources (co-authors, employers, government agencies, etc.) has been obtained.

The author also guarantees the work contains no defamatory, harmful, or libellous information.

If this paper was jointly prepared, the author should sign this consent on behalf of their co-authors, after informing them of the terms of this agreement.

Declaration:

By checking this box, I am in full agreement with the above conditions, and give my authorization to the conference organizers to publish this manuscript.

UBC SIERA: Sustainable Infrastructure Research Group
